Re: Request for Public Records

Nicole Yee,

We the People of Big Bear are requesting, once again, the opportunity to obtain copies of public records for the Oath of Office and/or affirmation requirement for all the principals, teachers, staff, superintendents, district staff and school board members under Education Code § 44334 for the Bear Valley Unified School District.

We the People requested that the oath affirmation shall be subscribed and certified or declared, pursuant to Section 2015.5 of the Code of Civil Procedures and shall be filed with the commission and The Freedom of Information Act states that anyone can request public documents in California and a purpose does not have to be stated.

The oath or affirmation shall be subscribed and certified and declared, pursuant to Section 2015.5 of the Code of Civil Procedures and SHALL BE FILED WITH THE COMMISSION and The Freedom of Information Act states that anyone can request public documents in California and a purpose does not have to be stated.

Your silence has led us to do further research and what we are finding are so-called teachers that do not have the appropriate teaching credentials to be the guiding our children. Part of the requirement for their preliminary credentials is a course in the provisions and principles of the U.S. Constitution.

We, the People of Big Bear are requesting, AGAIN, these documents under the California Public Records Act (Gov. Code §6250 and any applicable Codes herein) as it grants the public access to the disclosable public records and copies of records pursuant to the California Public Records Act and The Freedom of Information Act. 5 U.S.C. §552.
